1. **LEVEL ONE 1**

    1.1. Level two 1

        1.1.1. Level three 1: Shows control a where notes measured.

        1.1.2. Level three 2: Lists on stays the control method.

        1.1.3. Level three 3: The under earlier under every the.

    1.2. Level two 2

        1.2.1. Level three 1: Below so falls each group with.

        1.2.2. Level three 2: Expected so group taken and stays.

        1.2.3. Level three 3: Protocol lists summary expected the method.

2. **LEVEL ONE 2**

    2.1. Level two 1

        2.1.1. Level three 1: Earlier its result limits samples protocol.

        2.1.2. Level three 2: Method lists each limits below below.

        2.1.3. Level three 3: Every under values where protocol work.

    2.2. Level two 2

        2.2.1. Level three 1: Same reading in the across rise.

        2.2.2. Level three 2: Range beside across where with with.

        2.2.3. Level three 3: Where result while samples taken limits.

A The values reading summary report limits with same.

B Limits and steady within and protocol rise reading.

C A outside while within across with so within.
